2/2 plus Office/2 Car Carport approx 1600 Living Square Feet around the bend from Port of Hudson by boat or golf cart to grab a bite or a beer....and many other nearby eateries, entertainment and conveniences by golf cart! This home was built (states in public records)1962, but over the last several years many upgrades have been made to the home. Enter the home at the front door which is to the left of the 2 Car Carport and step into a foyer with an Office/3rd Bedroom door on the left separated nicely from the main hub of the home that makes a great escape for a quiet office, nursery or a guest bedroom. Continue from foyer through a large utility room where washer/dryer and oversized step in cleaning closet is, just past on the right is the Primary Bedroom with an ensuite bathroom that has two vanities one for washing and one for sitting at, a garden tub with jets and a walk in doorless shower. The tankless hot water makes it easy to fill your soaking tub.....Calgon take me away! The Primary bedroom also has a large walk in closet with built in shelving. The primary bedroom and bathroom has tile flooring, the bedroom has a ceiling fan and it's own A/C wall unit. Leaving the Primary Suite to the right you will pass by a wall of storage closets on the left and a guest bathroom on the right all with decorative barn doors. all flooring is tile and guest bathroom has a shower, water closet and a decorative bowl sink
